BANGALORE

SIR,

I have the honour to inform you that the work of constructing a new building for the Anglo- Vernacular school at Hiriyur is in progress and is being carried out by the P W D In the original estimate provision was not made for glazed windows trenches round the school and a milk hedge for the compound These additional items of work are necessary They are estimated to cost Rs 338 according to an estimate prepared by the Executive Engineer Chitaldrug Division. Of this amount Rs 100 will be met from savings likely to accrue from the original estimate of Rs 3000 under contingencies The balance viz Rs 238 is the excess amount required for expenditure on the additional items of work referred to above I request therefore that Government may be pleased to sanction this excess amount of Rs 238, provision being met from the sum proposed for minor works and repairs in the statement submitted with my letter No 4070/149 dated

dated 20 th November 1903 The supplemental estimate is enclosed herewith

General and Revenue Departments

SIR,

With reference to a sum of Rs 11684 transferred to the D.P.W. on account of new building works in accordance with G.O. No. J 3509-10 of the 16th January 1904, I have the honour to inform you that the amount of Rs 11,684 includes Rs 1446 provided for the work of improving the building of the Government Girls' School, Chickballapur. It has been recently ascertained that repairs to the building of the Anglo-Vernacular School, Chickballapur are urgently required. These repairs are estimated to cost Rs 1,258 according to an estimate prepared by the Executive Engineer, Kolar Division. The estimated cost includes the D.P.W. establishment charges, and the repairs will have to be carried out through the agency of the P.W.D. Under these circumstances I
